SPHEREA

Remove uncertainty through test

SPHEREA tests, secures, optimises, makes reliable and assures the longevity of clients' systems.

With over 50 years of experience in highly demanding industries such as aeronautics, defence, energy, and transport, SPHEREA is an international industrial group offering a wide range of technically recognised expertise.

SPHEREA specialises in the design and manufacturing of modular test solutions for the lifecycle of critical systems in electronics, mechatronics, optronics, and RF/HF.

Thanks to our know-how, we guarantee that our solutions have an equivalent lifespan to our clients' systems.
