## OUR EXPERTISE

### DESIGN & PRODUCTION OF TEST BENCHES

The largest Test & Measurement software design office in France, specializing in LabVIEW, TestStand, VeriStand, and the entire NI universe. We support you with our expertise in the design of test benches, field or embedded systems and software.

### DESIGN & MANUFACTURING OF POWER PRODUCTS

Products manufactured in France. We offer OEM products, a linear range with frequency amplifiers and a complete AC/DC range.

### NI TRAINING CENTER

Unique partner to benefit from NI Authorized Training Partner status in France, which allows us to offer you the best NI training with our team of 15 NI CPI certified engineers.

### PRODUCTS DISTRIBUTION

In AC & DC power, data acquisition, RF & microwave, and functional testing, we can meet all your needs.  
We are resellers of the brands Chroma, Regatron, Zimmer, TDK Lambda, Tabor, Bustec, Astronics and ETL.

### DESIGN & MANUFACTURING OF RADIO & MICROWAVE PRODUCTS

A full spectrum of RF & MICROWAVE expertise in hardware, software and signal processing. From the design of software and signal processing modules to custom projects, our teams support you from start to finish.
